

QA FULL-BLEED VERIFICATION TOUR

CHICAGO

Hop on and hop off to experience both routes!

A deliberately oversized two-route loop used to force the itinerary spill sheet and multiple pages of stop detail cards.

GREEN ROUTE

1. **GREEN STOP 1 — A FAIRLY LONG STOP NAME**
   Northeast corner of Columbus Drive and East North Water Street

QA FULL-BLEED VERIFICATION TOUR — STOP DETAILS (60)

1 GREEN STOP 1 — A FAIRLY LONG STOP NAME
GREEN ROUTE

A long enough paragraph of copy that the printed detail card has real body text to lay out, which is what makes the break-inside rule worth testing at all rather than a one-line stub.

2 GREEN STOP 2 — A FAIRLY LONG STOP NAME
GREEN ROUTE

The observation deck high above South Wacker Drive, with glass ledges that cantilever out over the street far below and a queue that wraps the lobby on a summer afternoon.

3 GREEN STOP 3 — A FAIRLY LONG STOP NAME
GREEN ROUTE

A riverfront plaza whose terraces step down to the water, lined with cafe tables in the warm months and completely empty under a February wind off the lake.

4 GREEN STOP 4 — A FAIRLY LONG STOP NAME
GREEN ROUTE

A long enough paragraph of copy that the printed detail card has real body text to lay out, which is what makes the break-inside rule worth testing at all rather than a one-line stub.

5 GREEN STOP 5 — A FAIRLY LONG STOP NAME
GREEN ROUTE

The observation deck high above South Wacker Drive, with glass ledges that cantilever out over the street far below and a queue that wraps the lobby on a summer afternoon.
